EPA past costs discussion - Anaconda Yerington - Dec 19 2017.pdf

Alexis and Sylvia,

We have made great progress together on the agreements related to the Anaconda mine site. I believe that Anaconda (Yerington) can be an exemplar for how industry, state and federal agencies can work together to advance a site in an innovative way. I have attached a few slides to support our discussion tomorrow about EPA past costs at the site. I look forward to the conversation.
